

The Original EuroDrop® System

The Proven Packaging Solution for Precisely Dispensing Drops

Carow Packaging was the first to introduce EuroDrop to the United States—the system widely recognized as the best for precise drop dispensing.

- Complete, all-in-one system for precise measuring and dispensing
- The only U.S. manufacturer of EuroDrop caps and inserts
- Shortest lead time in the industry, giving you more uptime
- Choose from a full range of caps and droppers
- Ideal for oils, tinctures, herbal extracts and aromatherapy products

Made in the U.S.A. Quality and Reliability

Our best-in-class products are made and distributed in the U.S., giving you delivery certainty while reducing the environmental impact of overseas shipping.

- Shorter Lead Times
- Supply Chain Security
- Improves ESG Scoring and Sustainability
- Competitive Pricing
- Higher Quality
- Local Support

The Carow Advantage

- ✓ Specialized Packaging Expertise
- ✓ Manufacturing, Distribution and Warehousing
- ✓ Family Run Since 1987
- ✓ Industry-Leading Service

The Original EuroDrop® System

Comprehensive Solutions for When Precision Matters Most

EuroDrop caps provide better sealing, no insert corrosion and the precise measuring necessary for your essential oils, tinctures and extracts.
